HELD ON THE 6TH DAY OF DECEMBER, 2004

The Caddo Parish Commission met in legal and regular session on the above date at 3:30 p.m. in the Government Chamber with Mr. Jim Morris, President, presiding, and the following members in attendance, constituting a quorum: Commissioners Baker, Bowman, Brown, Collins, Cox, Gillen, Long, Lynch, McCulloch, Morris, Pierson and Webb (12). ABSENT: None.

The Invocation was given by Mr. Webb, and Mrs. Baker led the Commission in the Pledge of Allegiance.

NEW BUSINESS

President Morris then stated the purpose of this special meeting of the Commission as being to consider and act upon the various budgets comprising the Parish of Caddo Operating and Capital Improvement Budget for 2005. He said that in keeping with long-established practice, the Commission would first adopt rules and procedures governing presentation, amendment and debate of those ordinances. He directed the Clerk to present those procedures, to wit:

**RULES OF PROCEDURE
for
REVIEW AND ADOPTION OF 2005 OPERATING AND
CAPITAL IMPROVEMENTS BUDGET**

- 1) Budgets will be reviewed and approved in an order to be determined by consensus.
- 2) No member of the general public will be permitted to speak except by a two-thirds vote of the body to suspend the rules to allow such input.
- 3) A motion to adopt each respective budget will place that budget on the floor for review, discussion and questions on it.
- 4) With a motion on the floor, Commissioners can direct questions to the appropriate staff/agency/department, or initiate debate or comment.
- 5) Each Commissioner will have at least one opportunity to speak on each budget presented before any Commissioner can speak again.
- 6) A motion to adopt places the original ordinance, as presented, on the floor for debate. Motions may be accepted during the course of debate to amend budget line items. Each Commissioner will have one opportunity to speak on a proposed amendment. At the conclusion of this round of debate, the question will be called on the proposed amendment and a vote taken before another motion to amend will be accepted.
- 7) All proposed amendments to any budget ordinance will be voted upon in succession before a vote may be called on passage of the entire ordinance.
- 8) A motion to call the question on the original motion will not be accepted until every Commissioner has had at least one opportunity to speak or ask questions.
- 9) Upon a successful call of the question on the floor, a vote will be conducted by voting machine.
- 10) Seven "Yea" votes are required for adoption of any amendment to a budget ordinance.
- 11) Seven "Yea" votes are required for final passage of any budget ordinance, including any amendments which have been previously approved.

It was moved by Mr. Brown, seconded by Mrs. Bowman, that the foregoing procedures for reviewing the 2005 Operating and Capital Improvements Budget and approval of budget ordinances be adopted. Motion carried.

At this time the Clerk stated that he is in receipt of letters from several Commissioners stating, in compliance with the Louisiana Code of Governmental Ethics, their recognition of a potential conflict in regard to matters to be voted upon by the Commission at this meeting, and their assertion that their votes will be cast objectively. He then entered the letters into the record, as provided by R.S. 42:1101, as follows:
